eClosing Solution

Design challenge

By Max Cipicchia

Sketches

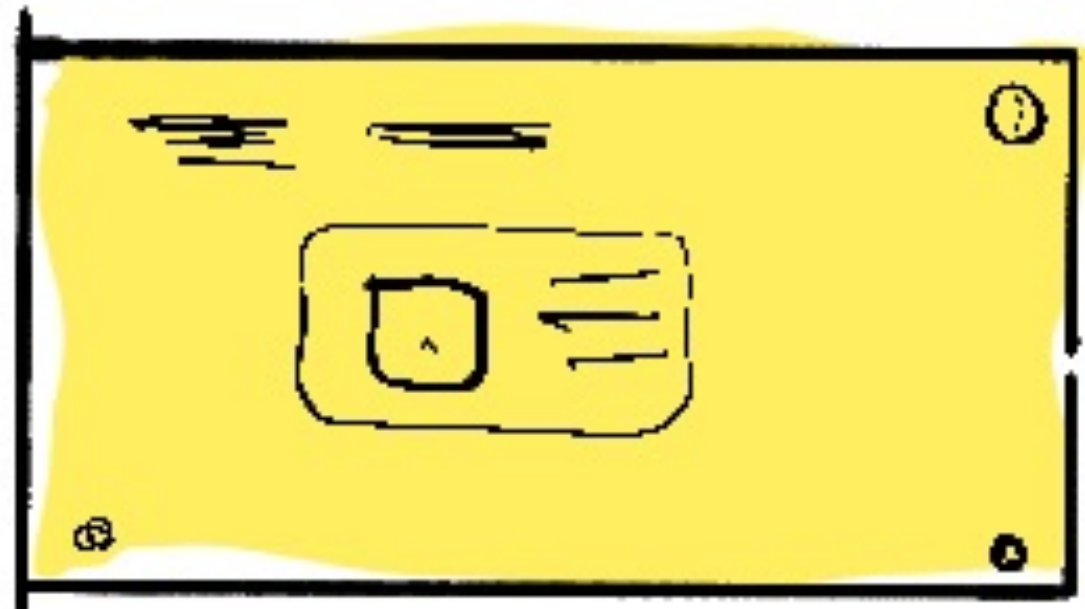

MERGING INFORMATIONS PROCESS
from Seller and Buyer dashboard to Agent dashboard.

Sketches

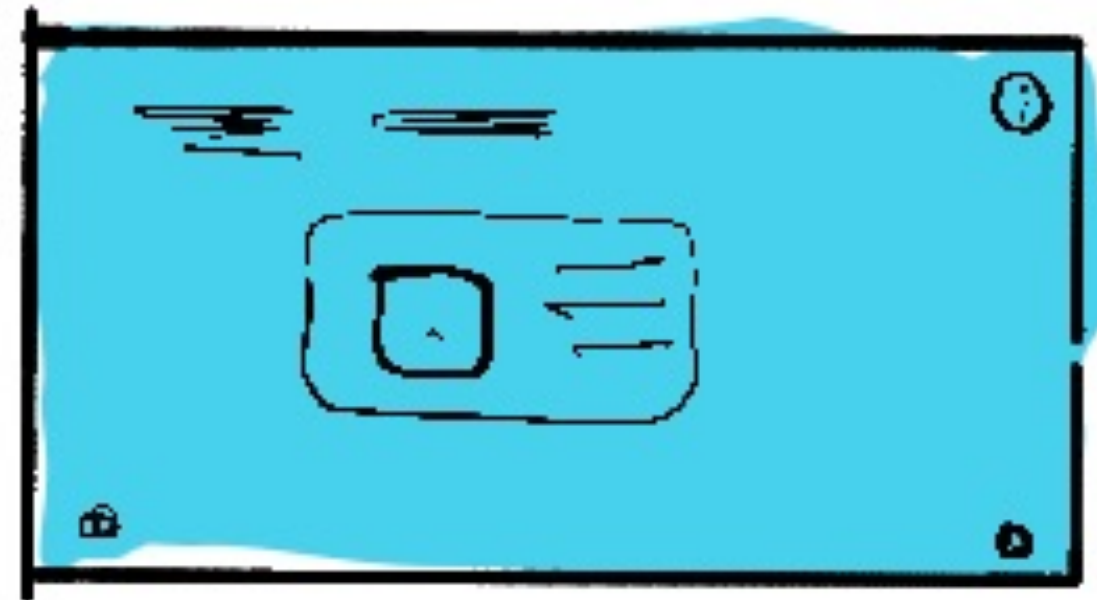

PROGRESS STATUS BACKGROUND COLOR

Yellow
IN PROGRESS

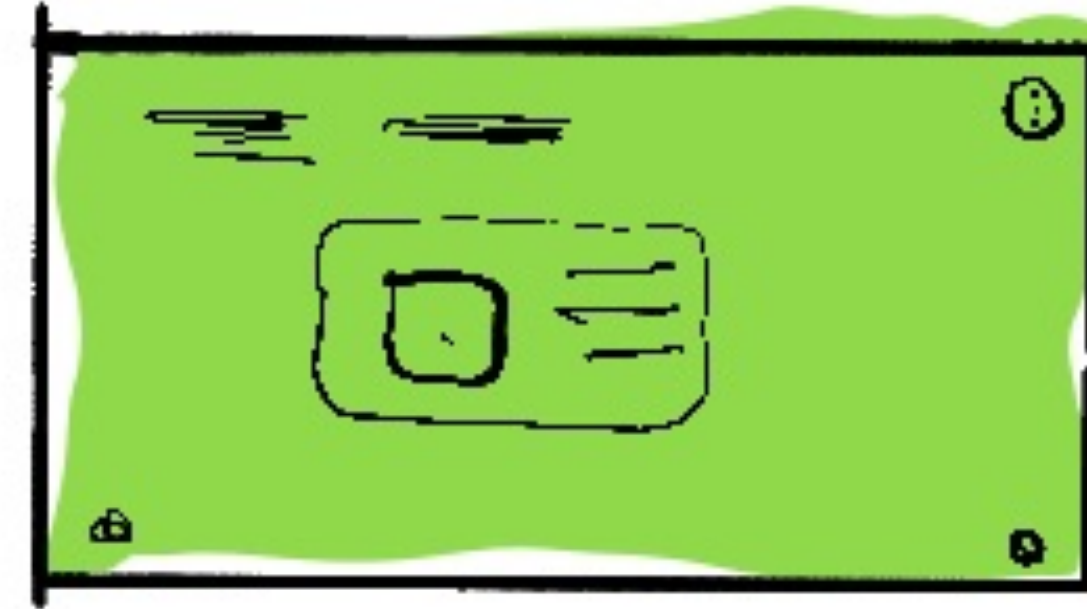

During this status, the Seller/ Buyer are collecting and uploading the necessary documents and informations for the closing deal. Agent can check the progress at any time.

Blue
AWAITING AGENT APPROVAL

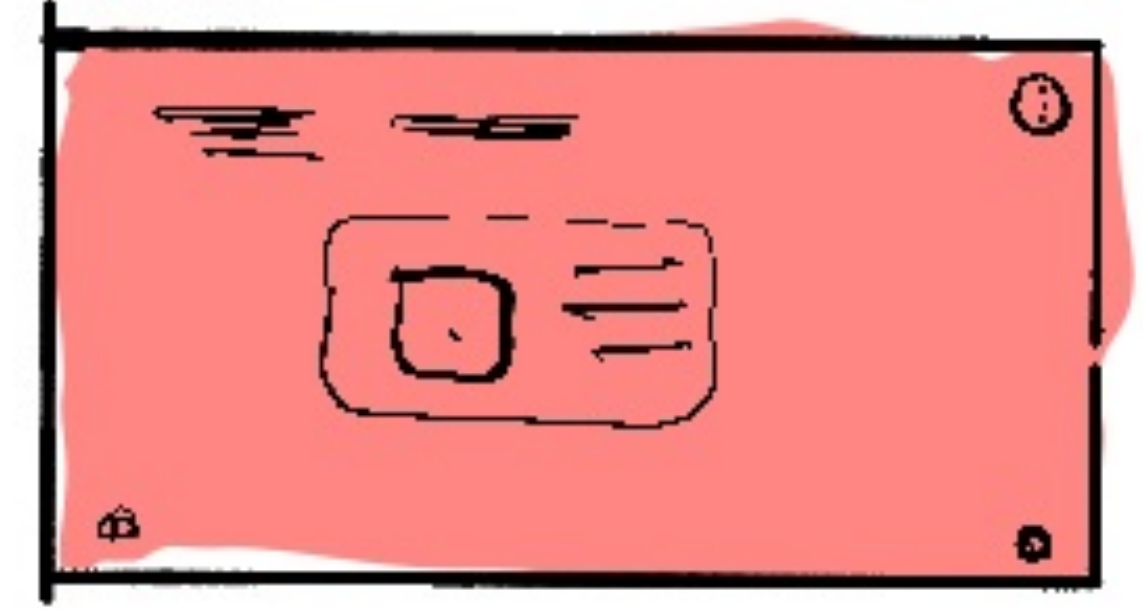

Once the documents list and informations are uploaded from the Seller/Buyer the color change to blue, indicating that the Agent can verify and approve the documentation or request more.

Green
AGENT APPROVED

The approval from the Agent will change the color background to green, indicating that everything is ready to go.

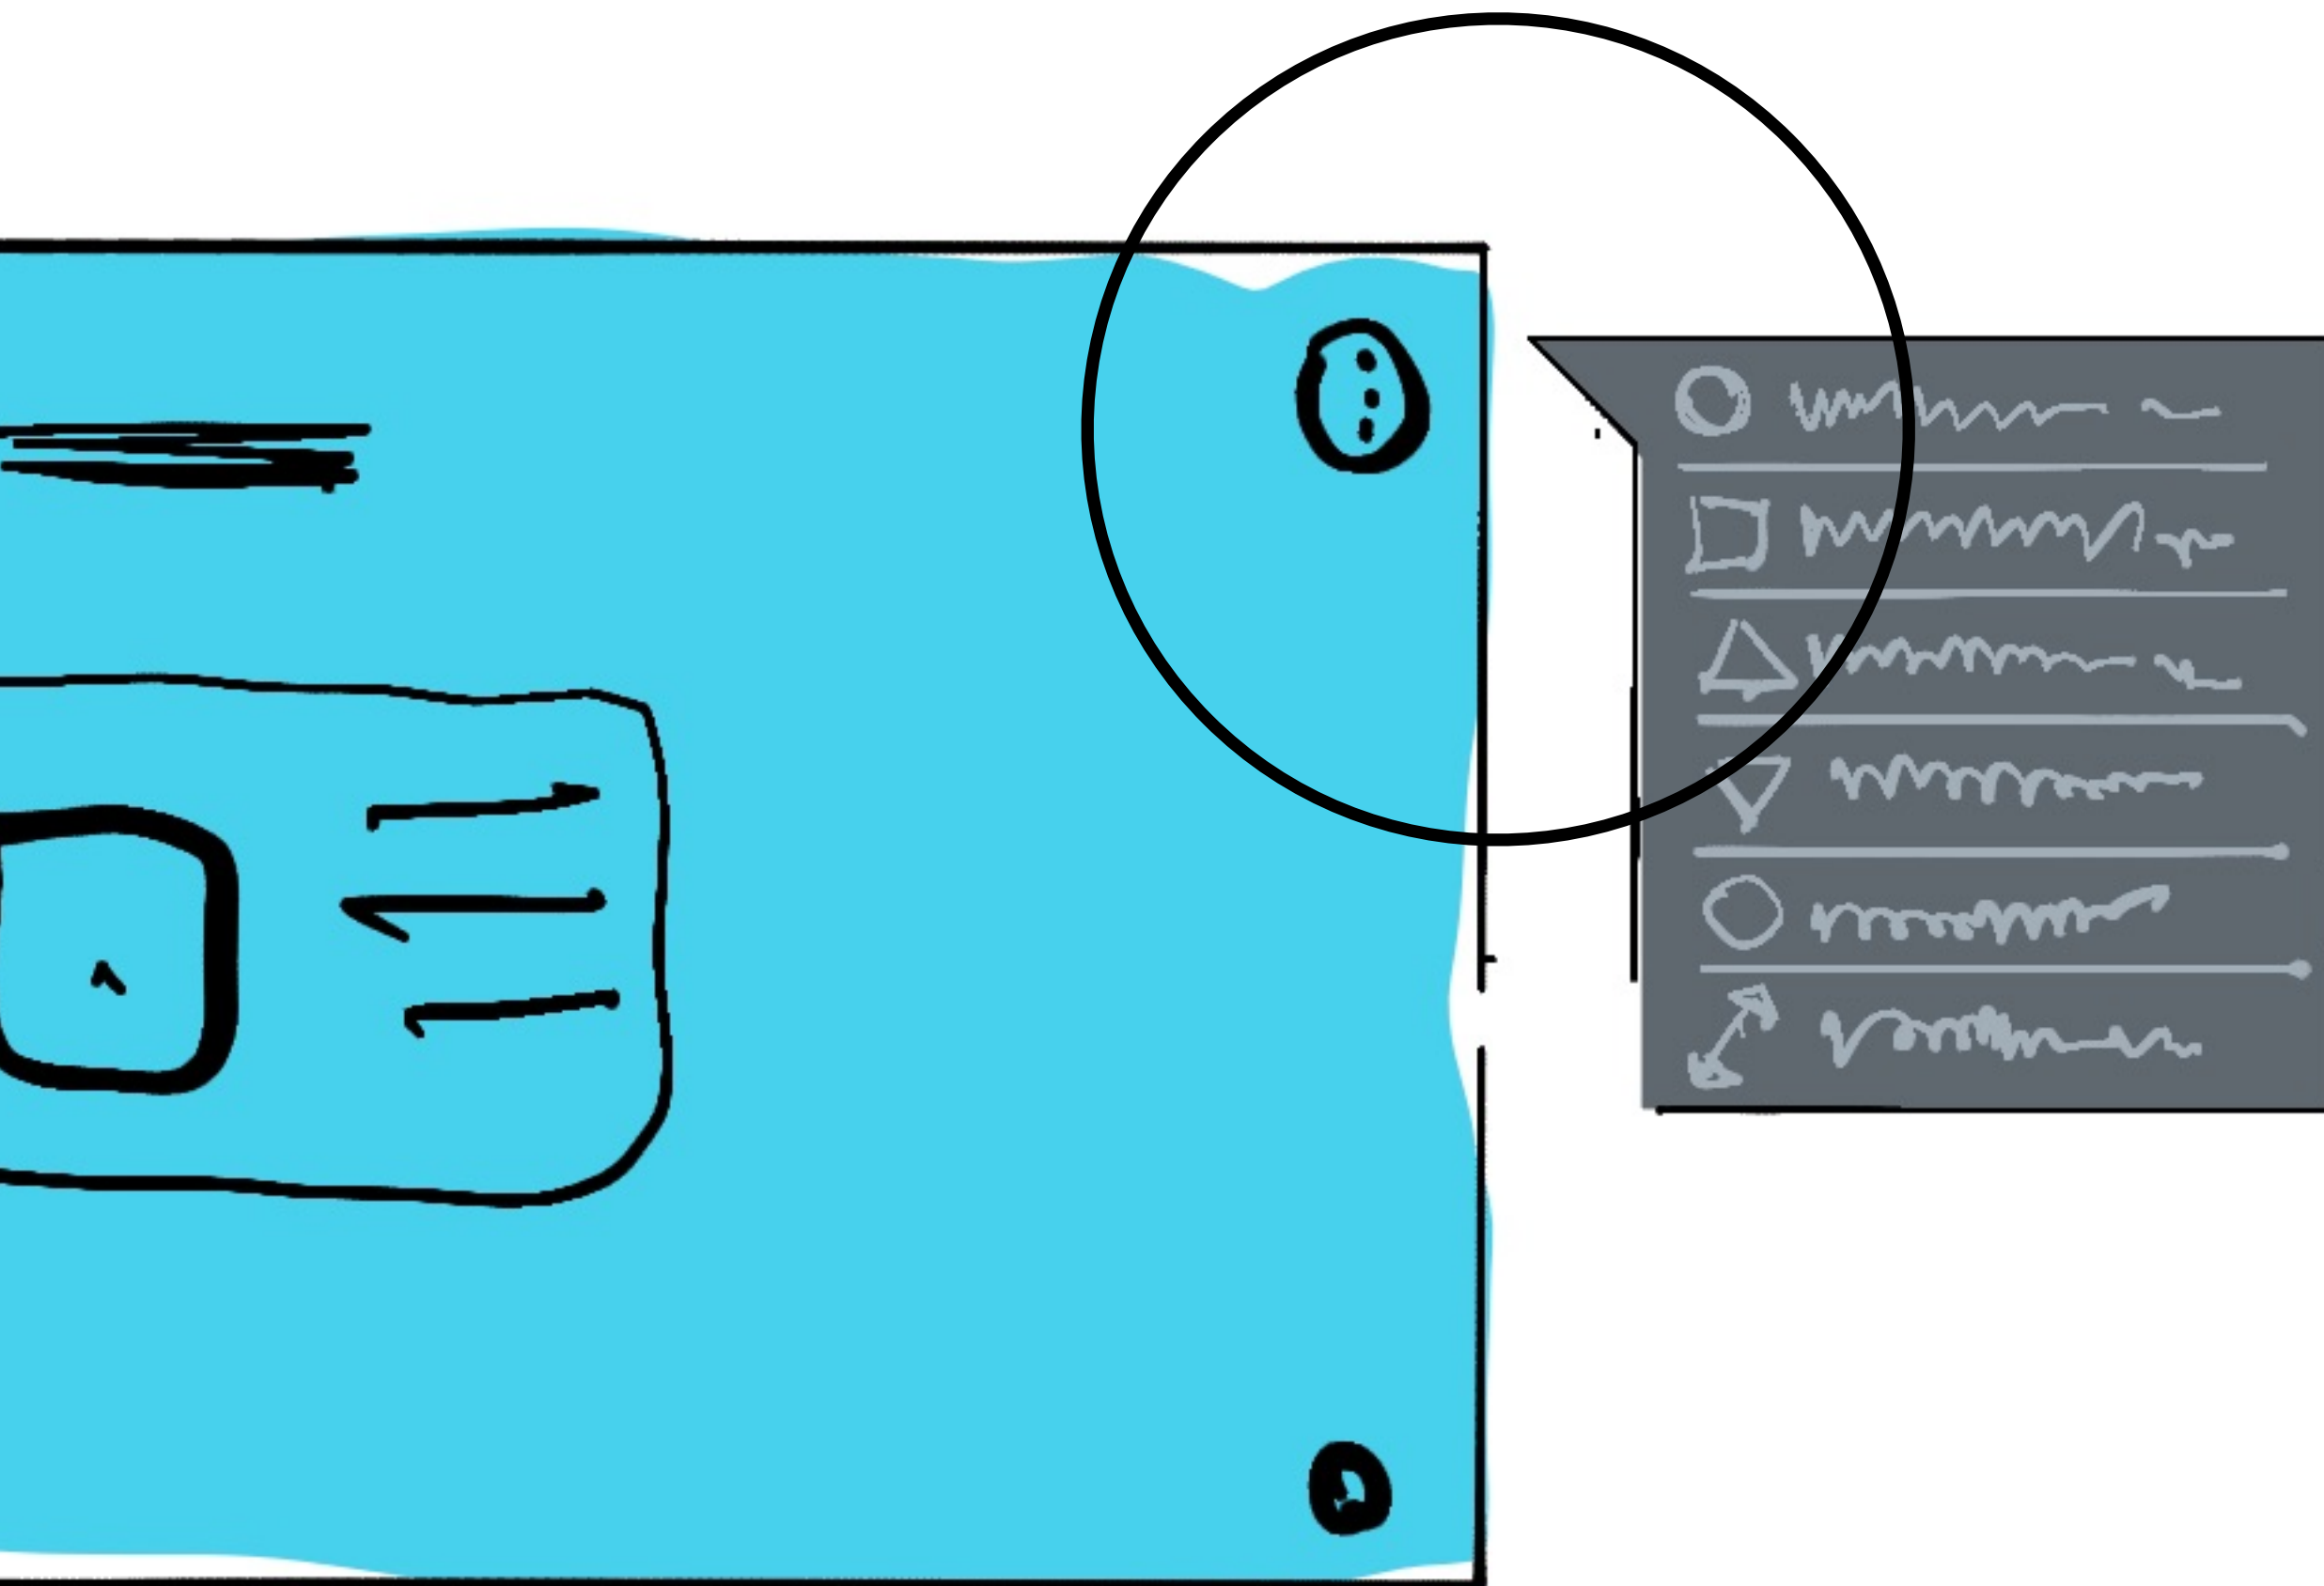

Red
IDENTITY VERIFICATION FAIL

A red background indicate that the identity verification fail. A double check of the documentation is necessary io order to precede with the closing deal.
